

Make a difference in the lives of children and families by training to become an Early Childhood Educator! This paid apprenticeship program includes work readiness training, individual mentorship, hybrid learning with GCC faculty and hands-on work experience in an early childcare setting. The professional readiness training includes digital literacy, CPR certification, classroom readiness and soft skills training.

Program Components:

- Job Readiness Training
- Weekly Seminar: Meets remotely once per week
- Child Growth and Development (EDU 144)
Course: Delivered in a hybrid format
- Work-Based Learning at Employer Sites

Dates: Next cohort starts on 9/1/2026

Times: Varies by employer site

Location: GCC Campus (1 College Drive, Greenfield); Local Early Education Centers

GCC is an AA/EO institution.

For disability accommodation, contact the Coordinator of Disability Services (413) 775-1812. This institution is an equal opportunity provider.
