We have laptop use outside by appointment only. We have a staff member who monitors it and there is minimal help because we have to remain socially distanced. The appointments are on Tuesdays and Thursdays from 10:00 -12:00. For about ½ hour of time. If no one else signed up they could use the full hour. Please call 978-249-9515 to schedule the appointment.

The Friends of the Library are returning to charging \$1 per page for faxes and 10 cents per side for photocopies and print outs. Please count your pages in advance and arrive with exact change in cash.
